

CCV Allied Health Preparation Certificate, to Vermont State University (VTSU) Respiratory Therapy AS.RSP Degree

Catalog Year: 2024-2025

This transfer pathway will help you plan courses at the Community College of Vermont (CCV) that will meet course specific requirements at VTSU.

- CCV and VTSU are both a part of the Vermont State College System (VSCS). Students have one common VSCS transcript. As such, courses taken at CCV are not considered transfer credit.
- Students who have completed an associate degree at the Community College of Vermont will have completed all associate level general education requirements at VTSU.
- VTSU accepts all general education credits and associate’s level VSCS graduation standards from CCV.
- Transfer courses from regionally accredited institutions will be accepted if grades are C- or better.

CCV Allied Health Preparation Certificate	VTSU Associate of Science in Respiratory Therapy
INT 1050 Dimensions of Self & Society	General Education Requirement: VTSU CNX 1010 Connections Seminar 1
ENG 1061 English Composition	General Education: Introductory Written Expression - VSCS ENG 1061 English Composition
